

**Southend Tutorial And Revision Programme
Presents**

LAUNCHPAD TO THE STARS

☆ A maSTAR Class in Learning

The Supernova: A STAR is born

**9:00am - 12:00pm
2nd March 2008**

Host to the STARS:

**Southend Seventh-day Adventist Church
4 Northview Drive, Westcliff-on-sea, SS0 9NG**

The STAR Programme, a new service to Southend, is being born. This programme will support children and young people in their education, preparing them for school and public examinations, provide Christian teachers with personal development opportunities to cross-reference aspects of faith and learning across a broad curriculum, allowing students the benefits of a church-school, Christian-based education. Children and young people in the local community are invited to benefit from personalised tutorial and revision programmes, giving an equal opportunity of access for all to the above.

The STAR birth begins with the shooting stars of a “Champagne Breakfast”! Throughout the course of the STARS, topics covered will include “Study Skills”, “Learning to Learn”, “How to remember not to forget” and “Formulae for Successful Revision”. This free course of the STARS is aimed to benefit students of all ages, parents, teachers and other interested pedagogues. There is no need to book or register for the launch.

The multi-media workshops and seminars will be led by

Dr Colin Gordon

Christian Educator and Local Government Chartered Consultant Psychologist
